PRESIDENT’S MESSAGE

What a pleasure it is to see the sun, longer days, and lengthening shadows - a sure sign that spring is somewhere around the corner. I was recently at my cabin and the pussy willows are making an appearance.

January and February were busy months and will continue to be with our upcoming Icelandic National League of North America (INL of NA) Convention in April 2018. Beverly Arason-Gaudet and her team have managed to secure an amazing group of speakers and what looks to be a very exciting convention. I highly recommend that everyone try to attend the convention, but at the very least, the Gala dinner at the Doubletree by Hilton. They are seeking silent auction items (paintings, carvings, quilts, knitting, baskets, etc.) so if you have something you would like to donate, please contact Beverly Arason-Gaudet or Ivan Jonsson.

ICCE successfully nominated Carolyn and Ken Yu for the Honorary Lifetime Membership Award with the INL of NA. We also nominated Solli and Shirley Sigurdson for the Laurence S.G. Johnson Lifetime Achievement Award. Although Solli and Shirley were not selected this year, they are truly an inspiration to our community. Please read highlights of our interviews with both couples later in this newsletter.

Thorramblótt this year had a smaller than usual attendance, but the people who came had a wonderful time, great food, and entertainment. I was so pleased to see so many of our young people, our Snorri and bursary recipients, come out to set up and then clean up. Listening to them talk about their studies and share some of their stories confirms that we are investing in our future and cultivating our next generation of ambassadors of Icelandic culture. Jodine Chase was an emcee extraordinaire, keeping the agenda flowing and confirming all the details. Don Olsen provided the blessing, as well as prayers for those facing health challenges. Armann Ingolfsson entertained and educated attendees, with slides and a history of Thorramblótt, during his toast to Thorri. Thank you so much, Armann.
We were very fortunate to have Solli Sigurdson share some of his songs and then he and Shirley led the Grand March.

We had the pleasure of hosting the Alberta Fjallkona, Della Branson from Markerville, and her escorts Oliver and Donna Nelson. Della brought greetings from Markerville and shared her story and the culture of growing up in rural Alberta.

Thank you to Joedy Englesby for taking charge of the event and to Carolyn and Ken Yu for organizing the food (rúllupyls workshops and cooking the Íngibjökt) and the entertainment.

The ICCE continues to offer a variety of activities and yet is still struggling to get our members out to the events. If there is something you would like to suggest, or you have some thoughts about how we can get more people out to our events, we are listening. Please contact me or any of our Board members. Our contact information is on the website, as well as in this newsletter.

Enjoy the sun and keep your eyes out for spring...it is coming!!

This year we enjoyed some particularly tasty and well-smoked hangikjöt (supplied by Hank Strokappe, Farm Fresh Lamb, Fahler, AB) as well as rúllupylsa (deboned lamb flanks also from Farm Fresh Lamb) and made by sixteen members of our club at a workshop held in January. Many members made rúllupylsa for themselves as well.

The three hangikjöt (legs of lamb) were received cured and double-smoked, then we simmered them at the DCC on the afternoon of Thorrablót, sliced thinly onto platters and served to each table. The caterers took over part-way through and possibly some of you got missed on the smoked lamb and were disappointed! Next year we will make a large sign so that everyone can see where it is and can go get your share!! We are very sorry if you did not notice the hangikjöt server and missed being served.

On a brighter note, we have saved one smoked lamb leg and three rúllupylsa rolls for the Leif Eiriksson supper in September. Eventually, we WILL get this streamlined and everyone will enjoy this delicacy.

Many thanks to the generosity of the following people who donated Icelandic foods: Pönnukökur (Jeannine Christopherson, Joyce Kidney); Vinarterta (Gloria Krenbrenk); Skýr (Linda Cornell, Carolyn Yu); Icelandic Brown Bread (Fran Benedictson, Janice Stanton, Shirley Sigurdson). If you would like to make some of these foods and donate some to our future Thorrablót, please let myself, or anyone on the board know.

The colourfully decorated tables, the entertaining Snorri video (Sophie Olsen) and talk (written by Nuka Olsen-Hakongak), Solli Sigurdson’s unique Vestur-Islandingur songs (including our “Norðurljóss” song), and Ármann Ingolfsson’s very informative talk on þorrablót and its traditions all made this a memorable event. We were honoured to have the Alberta 2017-2018 Fjállkona Della Branson of Markerville as our special guest. Finally, the Grand March, led by Shirley and Solli Sigurdson, got everyone up on the floor which led to…. dancing! Great music supplied by Pete Turland & His Trio.

This was one of our BEST Thorrablót on record!

Carolyn Yu

WOW! Those members who chose not to attend the 2018 Thorrablót sure did miss a great event. As usual, A-1 Catering provided us with a fabulous spread along with the Icelandic Foods that ICCE members created.

I have to say that none of the evening would have taken place without saying a HUGE THANK YOU to the following members: Ken & Carolyn Yu and Shirley Sigurdson for gathering members to help create the rúllupylsa; those who baked bread; Ken and Carolyn for cooking the hangikjöt; Donna Crozier, Arden Burtnik, Breanna, Alana, Megan Mawhinney, Jolene Hélagason, Sophie Olsen, Sarah Hales and Aimee Rae Diesel for joining me Saturday morning to set up the hall and get the rúllupylsa ready; Jodine, Angus and Jen Chase, Matt Gaudet, Ken & Carolyn Yu, Colleen Taylor, Craig Harris, Kirsti Bell and friend, Norman Baudisch. If I have forgotten someone’s name, please forgive me. Further thanks to the Snorri and Bursary recipients who provided help with the set up and tear down. Seven of these young adults were not able to attend Thorrablót but took the time to fulfill their obligation to the club. We look forward to other recipients and applicants stepping forward.

As Past President/Past Social Events, I would like to remind our members that we are all volunteers. For this club to survive, it needs its members to participate with the creation of the events, not just show up, enjoy, and leave. The current volunteers are not going to be around forever, so the success of the club relies on the current and upcoming members.

Thank you again. Looking forward to seeing everyone at the next function.

Joedy Englesby, Past President
Visit to Jasper Place Daycare

We had a lot of fun and success with our visit to Jasper Place Daycare on January 4th. We displayed a lot of posters, pictures, and artwork from Iceland and spoke to approximately 25 children of varying ages. They all took a lot of interest in what we were saying and displaying about the Icelandic culture and had lots of questions.

The children and staff enjoyed the pictures and the 3-minute official YouTube video about our beautiful Icelandic horses. We provided a taste of homemade vinarterta to the staff and children and the children enjoyed craft time and coloring books of the Yule Lads.

I want to thank Jennifer, the staff, and the children for being such wonderful hosts to us. We appreciate that they took the time to collect bottles from their households to support our upcoming bottle drive.

Lastly, thank you to Lorraine, Joedy and Carly for their collaborative efforts, the event would not have been a success without them.

Ivan Jonsson, Vice-President

Our volunteer casino days are coming up shortly, on March 12 and 13. I do want to thank everyone who has already volunteered to help. Also, if anyone is able to be on a list of backup volunteers, in case any of the scheduled volunteers are unable to make their shifts, please get in touch with me at either (780)224-6510 or email ryan@cornell.com.

Thank you everyone!

HONORARY LIFETIME MEMBERSHIP AWARD RECIPIENTS
Carolyn (Josephson) and Ken Yu

Carolyn (Josephson) and Ken Yu moved to Edmonton in 1986 and soon became members of the Edmonton Icelandic Club. They have maintained their membership and commitment since 1993. Carolyn joined the Saga Singers in 1993, hoping to learn some Icelandic songs and more about the Icelandic language. The choir was looking for someone who could play piano, so Carolyn volunteered her services and became the official accompaniment for the Saga Singers until they dissolved in or around 2010.

Carolyn recently served on the ICCE Board for six years and was a member of the Saga Singers choir for many years. She helped to organize the Icelandic language classes in the 1990’s. Carolyn and Ken have both organized, decorated and led activities at Thorrablöt, vinarterta workshops, rúllupylsa workshops and Christmas parties. Ken and Carolyn recently became members of the Scandinavian Heritage Society. Carolyn honored ICCE by serving as Edmonton’s Fjallkona 2015-2016, with Ken as her escort/driver/partner. Carolyn and Ken have promoted and continue to promote the Icelandic culture by attending community presentations to a variety of groups including schools, day cares, seniors home, Universities and Edmonton Heritage Days.

Carolyn was born into a small Icelandic community, 30 miles north of Foam Lake, SK. Carolyn was surrounded by Icelandic culture, enjoying Thorrablöt, Tombola and community gatherings where the Icelandic traditions and food, including vinarterta, skyr, rúllupylsa (made with beef) and various fixings of fish were shared. Carolyn believes she was not formally taught the Icelandic language to prevent her and her brother and sister from listening to adult conversations.

Carolyn went on to become a medical technologist in hospitals and in a medical research laboratory. She also instructed Microbiology at the University of New Brunswick. She met Ken in 1964 at the University of Saskatchewan and they were married in 1967. Carolyn eventually received her MSC from the University of Guelph in Microbiology.

Ken was born into the Chinese culture however he embraced the Icelandic culture and traditions when he met and married Carolyn. Like many spouses of Canadians of Icelandic descent, he was pulled into the “Icelandic vortex”. His unofficial Icelandic name is Ken “Chowansson”. Ken has his PHD and worked as a virologist, specializing in cancer research at the Universities of Western Ontario, New Brunswick, and finally the University of Alberta.

Carolyn and Ken moved from Saskatoon, SK to Guelph, ON; London, ON; to Sherbrook, QC to Fredericton, NS before heading west to Alberta. They briefly lived in Calgary before settling in Edmonton, where they put down their roots and raised their family. Carolyn and Ken have two sons and two grandchildren.

Carolyn and Ken have been to Iceland three times; Markerville, AB twelve times and have attended four of the INL of NA conventions. They are both very devoted to Icelandic Canadian culture and heritage.

LAWRENCE JOHNSON LIFETIME ACHIEVEMENT AWARD NOMINEES
Solli and Shirley (Thorsteinson) Sigurdson

Solli and Shirley Sigurdson have been awarded the Icelandic National League Honorary Lifetime Membership Award. This nomination, for the Lawrence Johnson Lifetime Achievement Award, is one the Icelandic Canadian Club of Edmonton feels is well deserved and overdue to this amazing and dedicated couple. This nomination is to recognize them for their lifelong work for and promotion of the Icelandic Canadian culture in Canada and the Icelandic Canadian Club of Edmonton (ICCE). Shirley has been a member of ICCE since 1963 (fifty-five years!) and Solli since 1964 (fifty-four years!).

Shirley (Thorsteinson) was born into an Icelandic family and community (Husavik) near Gimli, MB. Her parents were Icelandic-Canadian so Shirley was raised surrounded by the Icelandic culture and language. Shirley enjoyed many traditional Icelandic foods; learning to speak and read the language; and hearing stories about Iceland and their people, both in Iceland and in North America. Soon after leaving Manitoba in 1963, to pursue her work as a Laboratory Technician in Edmonton, Shirley became a member
of the ICCE. Here she was able to meet people and nurture her love for the Icelandic culture.

Shirley has been an integral part of the Club over the years, serving as Board Secretary and Social Convenor. She was one of the founding members of the Saga Singers, providing leadership, translation of Icelandic songs, and always with a wonderful soprano voice. Shirley was chosen as the Alberta Fjallkona in 1967, and as such, traveled to various functions around Alberta. She has been involved in various workshops put on by the club, making rúllapýlsa and vinarterta. She has helped with setting up the hall for events, making food, coordinating events and cleanup.

Soll Sigurdson was born in Riverton MB to parents of Icelandic descent. He was immersed in the Icelandic culture at a young age, providing a strong foundation for music and preservation and promotion of the Icelandic culture. Sollí completed his PHD in Mathematics then moved to Edmonton in 1964 to work at the University of Alberta, instructing teachers about teaching mathematics.

Sollí has served on the Board of the Icelandic Canadian Club of Edmonton, in one capacity or another, for forty-nine years. In the beginning there were few members so Sollí and Shirley encouraged other Scandinavian groups to join forces to form the “Scandepades”. They met and celebrated at the Jubilee Auditorium in Edmonton before purchasing the Scandinavian Club in north Edmonton. Sollí has been a musician most of his life, writing and performing songs about Icelanders in Canada, including fishing songs and Lake Winnipeg songs. He has entertained the Edmonton Icelandic Club, as well as the Icelandic community in Markerville with his songs. Sollí has even performed for the “Westward Bound” video, a popular video about Icelanders’ travel to and life in North America. Sollí has shared his musical talents with the Edmonton Icelandic Community for at least 20 Thorrablóts and two INL of NA conventions.

Shirley and Sollí have two sons; Grant is a pathologist and musician and Ryan is a musician. Sollí has traveled to Iceland seven times and Shirley has been there five times.

The Sigurdsons embody what is considered a lifetime of achievements; preserving and promoting Icelandic culture, music, food, and hospitality.

FROM THE NEWSLETTER DESK

I would like to extend a warm welcome to our newest members - Ryan Parker (grandson of June Parker), Ryan Parker share her experiences in the Snorri program last summer with her musical video. Her cousin Nuka Olsen-Hakongak was also a Snorri participant but was unable to attend the dinner. In her absence, her Afi, Don Olsen, read her speech which we are sharing with you in this newsletter.

Linda Cornell, Newsletter Editor

Greetings from Iqaluit, Nunavut. For those of you who do not know me, my name is Nuka Olsen-Hakongak. I was chosen to participate in the Snorri Program last summer. I first want to say that I am sorry I am not in Edmonton to present my little speech, though I am very grateful and happy my Afi is presenting on my behalf. I am going to try and capture the wonderful essence of my trip to Iceland last summer in this speech and explain how I achieved everything I wanted from the program and more.

My Amma and Afi have always talked about the Snorri Program since we were young children. I had known about this wonderful opportunity, but I could never find the right time to try my shot at applying. My Amma and Afi (especially my Afi) were always zealous advocates about learning more of our Icelandic heritage.

My journey began with a series of decisions I was starting to make in the winter of 2016. I had decided that 2017 was going to be my year. I would be turning 23 in January and graduating from college in the spring, so I knew I was moving into natural journeys in the months to come. Little did I know what my journey would entail.

As I applied to the Snorri Program I was also applying to law school. I was living in my home community of Cambridge Bay, Nunavut and there had been news that the Government of...
Nunavut was working closely with the Nunavut Arctic College and the University of Saskatchewan College of Law to form the Nunavut Law Program. I was in my second year of my social services diploma, so the timing was impeccable. I thought to myself, if I got accepted to attend the Snorri Program and then accepted to law school, my year is set. I worked hard on my coinciding applications along with my schoolwork. Before I did my final submission for both programs I wished myself luck, reminded myself I did my best and sent them on their way.

I grew up in Nunavut and I have always felt a strong connection to my Inuit culture. So, when I was filling out my Snorri application I used culture as my central theme. I know how important it is to be connected to a culture through language, traditions, food etc. To be connected to your heritage is so fulfilling and special because it brings a sense of belonging.

My Amma and Afi are prime examples of keeping the Icelandic heritage alive in our Olsen family. So, it was not a surprise that they were very supportive of me in my endeavor to apply to the Snorri Program. I was so thrilled to share the news of my acceptance to the program with them. It was an even more amazing surprise to learn that my cousin Sophie was accepted at the same time. We were set to journey Iceland together and build such a wonderful friendship.

I learned so many valuable lessons while I was attending the Snorri Program. There are so many people to thank for contributing to my Snorri experience. I want to send my deepest thank you to the selection committee, the Snorri Foundation, Asta Sol the project manager of the Snorri Program, my fellow group mates, my family and extended Icelandic family and of course the Icelandic Club of Edmonton.

I was privileged to travel with the 2017 Snorri group. Everyone was fun, responsible and genuinely cared for one another. It was also such a plus that I got to travel with my cousin Sophie. The Snorri Program is wonderful because it offers diverse programs throughout the six weeks that bring an exclusive experience of Iceland. I loved every portion of the six weeks - from studying language at the University of Iceland, our excursions in Reykjavik, to our work and family experience in Borgarnes. And you cannot forget the adventure week with the Snorri group to end the trip.

My summer was amazing. I found a piece of myself in Iceland. I explored, hiked, tried new food, met wonderful people, and learned about who I am as an individual. I got to build a strong relationship with my cousin Sophie who I am so grateful for. Life is always fun when you can explore with a friend. We went to Iceland as cousins and left as sisters. Life is a puzzle of experience and this trip added so many pieces to my life. I got to be immersed in my Icelandic heritage from all aspects. This was not a trip I could have done on my own. I am so grateful the Snorri Program exists, and I cannot express my gratitude enough.

Since my summer trip I have made the move to Iqaluit, Nunavut to attend the Nunavut Law Program. A month after my acceptance to the Snorri Program I was accepted into law school. 2017 was truly my year. I will continue to work on my studies to become a lawyer and always remember the people who made my year special.

Thank you/Koana/Takk takk.
Nuka Olsen-Hakongak

FROM YOUR VICE-PRESIDENT

I want to thank everyone that helped contribute to the ICCE Bottle Drive Fundraiser in January and February. To date we have received $276.45. Thank you so much to everyone that participated.

We recently finished airing two showings of the INLNA Icelandic Movie Series, Spooks and Spirits in February. This film viewing was organized by the Icelandic National League of North America, a non-profit service organization that promotes Icelandic heritage and culture through its activities and the activities of member clubs across North America. The film series was funded by a generous grant from Donald K. Johnson. The film and the viewings
were a lot of fun and I am excited to see what film is featured next year.

NOW, the ICCE wants your opinion. Please ask your Teens and Tweens! The ICCE would like to have a Dance/DJ activity at the DCC just for the Teens and Tweens this summer. We anticipate that it would be on a Saturday night and plan to bring aboard a DJ that mainly has a very current music selection. If you think this is something your Teens and Tweens would like, please send me your thoughts. The ICCE would only be in the position to offer this event if interest is there and by prepaid ticket sales only. Our initial thoughts are that the dance event ticket would be approximately $15-20 per person. I look forward to hearing from you. I can be phoned or texted at 780-717-3799 or emailed at jonssoni@shaw.ca.

Thank you,
Ivan Jonsson, Vice President

**ICCE IS SEEKING**

She may be asked to do some public speaking and talk about her journey of discovery of the Canadian—Icelandic culture. If you know someone you would like to nominate, please send the information, including a brief description of the person to Donna Crozier, ICCE President at donnagc@datacardalberta.com. **VOLUNTEERS NEEDED**

The Phoning Committee needs your help again. At least two phoners are required. Your duties would be to call our members and inform them of upcoming events such as special speaker nights, movie showings, annual dinners and other Icelandic celebrations. Each volunteer would be expected to call approximately 20 members.

A big thank you goes out to Eleanor and Norman Nordal for the many years they have worked on the Phoning Committee.

If someone is interested in taking on this position, please contact any Board member.
WHERE IS DELLA'S COSTUME?
Many years ago, the Saga Singers purchased a ladies’ costume, size 10 or 12, with gold jewellery, for Della Roland who directed the choir in its early years. This costume belongs to ICCE and is missing from the storage room. Please check your closets. If you borrowed it and have it at home, please let Gloria know at gkrenbrenk@gmail.com or phone 780-668-9166 or contact any board member. Thank you.

INL OF NA CONVENTION

Contact Ivan Jonsson at jonssoni@shaw.ca or by phone 780-717-3799 to help with the fundraising which is underway. Hosting a convention of this magnitude is very costly and the ICCE is responsible for the costs over and above the registrations. We want to have a successful and fun convention and not to have the expenses of the convention deplete the ICCE bank accounts.
